Please find below a reminder from the City.

The minimum wage will go up again on July 1st and there seems to be some uncertainty regarding paid sick leave.

I am attaching three things for you to review.

- 1) Fact Sheet
- 2) Official notice to be posted
- 3) Employer requirements.

Please help the City of Los Angeles get the word out to all businesses as we want them to have the most updated information.

Let me know if you need the poster in any other language.
